* **Coastal Dance Theatre Society (CDTS)** is a not for profit organization associated with Coastal Dance Inc. (*the school*). It is a youth performance company, which offers the more advanced students opportunities to perform publicly in a professional setting. Dancers must be a minimum level of *“Intermediate Foundation”* & proficient en pointe to gain acceptance as a company member. Every Christmas season CDT presents their **“Concerts for Children”** with full length story ballets such as *“The Nutcracker”*, *“Alice in Winterland”*, *Christmas Carol*, and this years newest addition of *“The Snow Queen”*. CDTS also produces an **“In Concert”** series in late April where these dancers perform works by local choreographers. Support from our school is invaluable developing the future of CDTS.

Coastal Dance Performance class dancers (*Grade 3 up*) are invited as Guests to perform with the company in both their Christmas and Spring Season.
