The Story

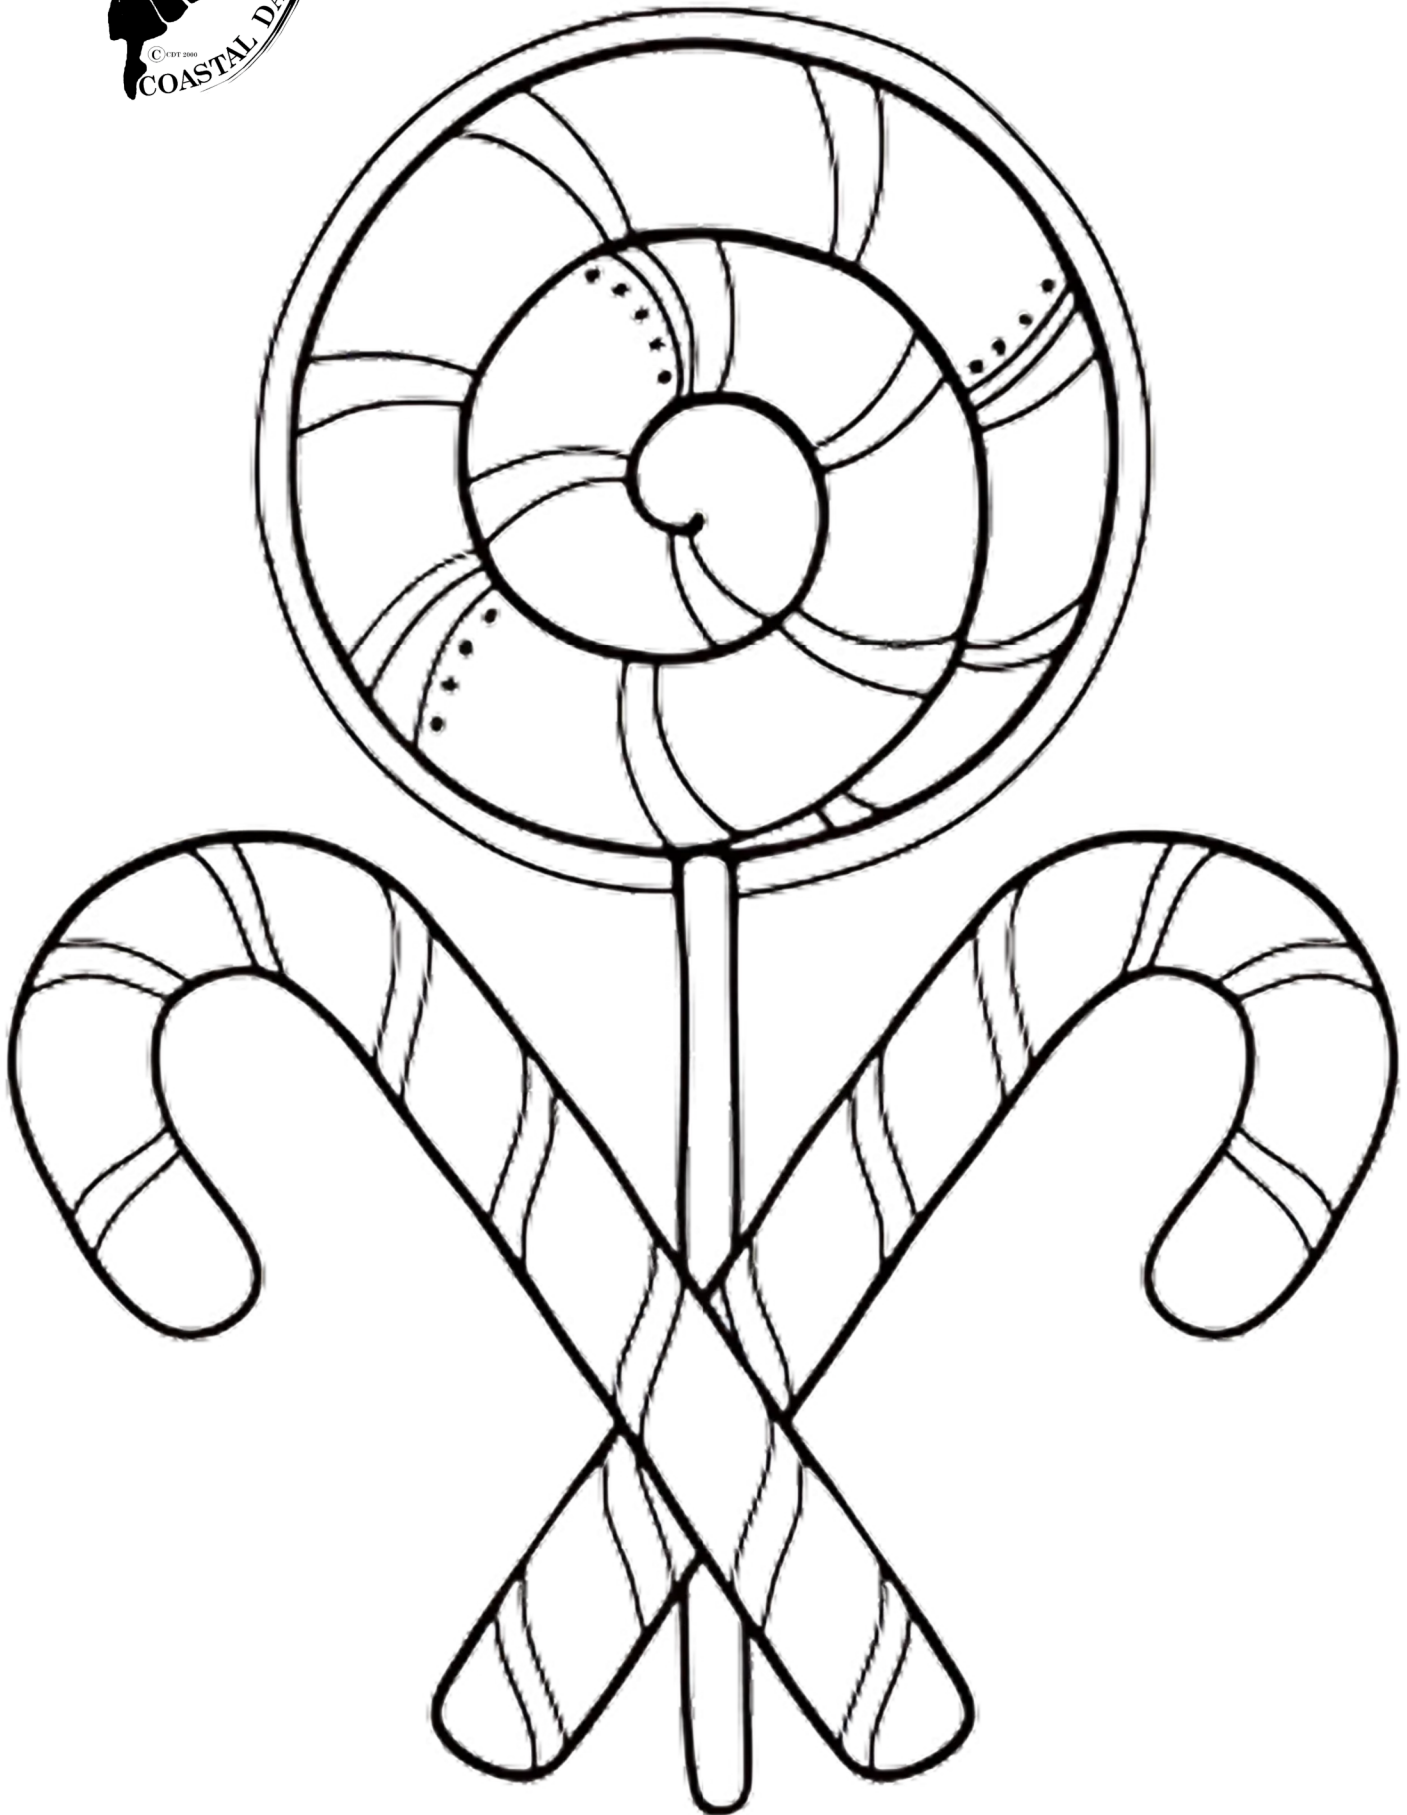

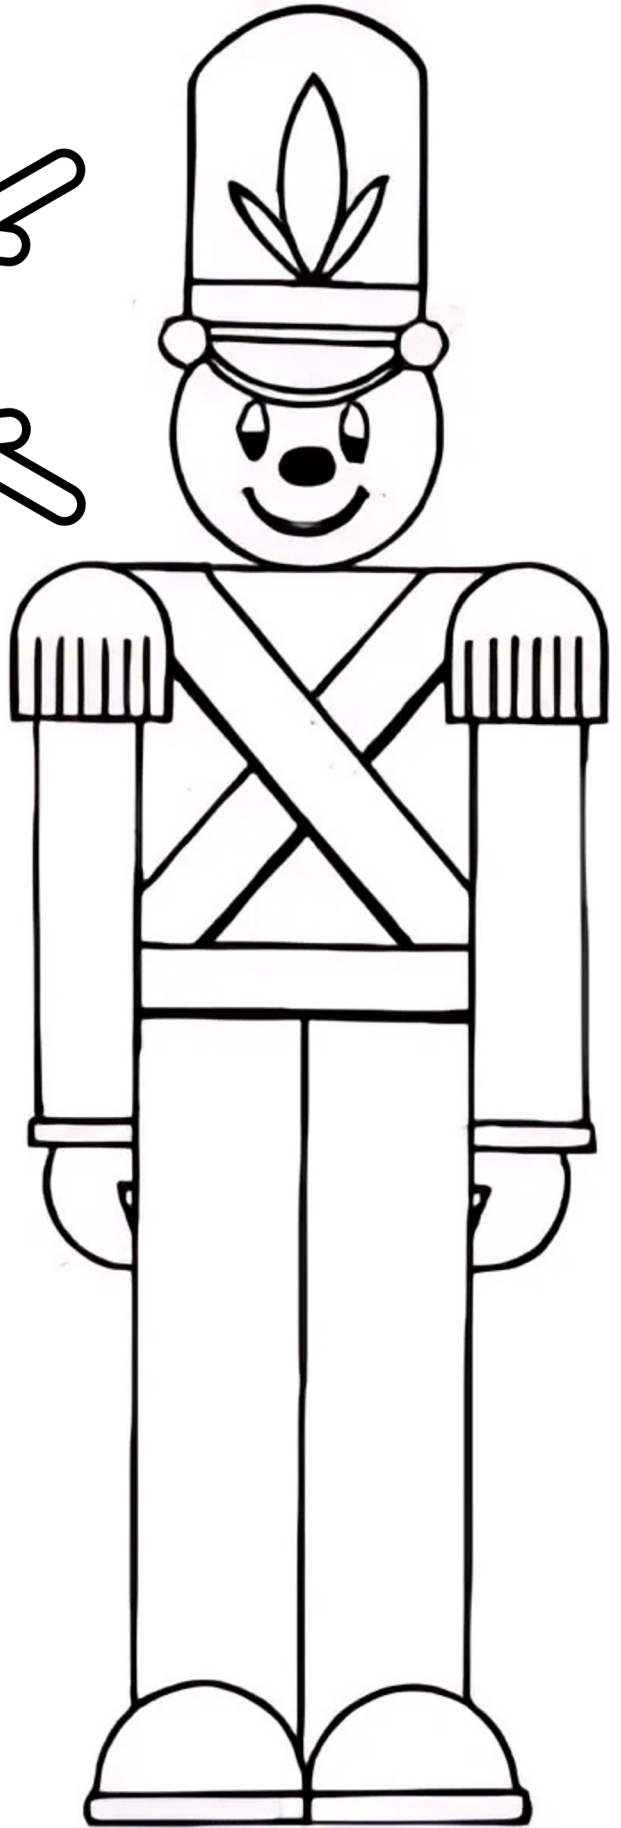

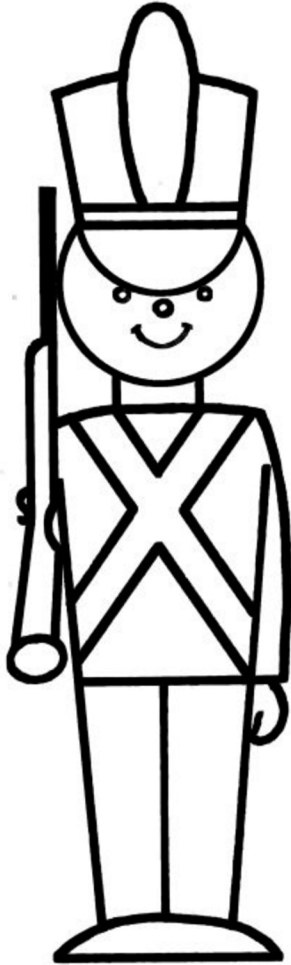

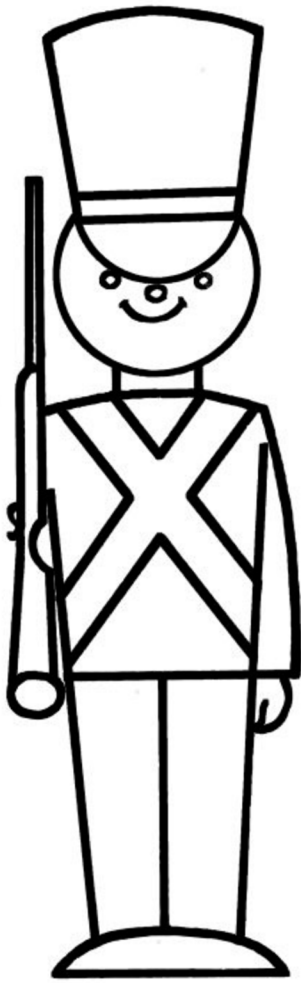

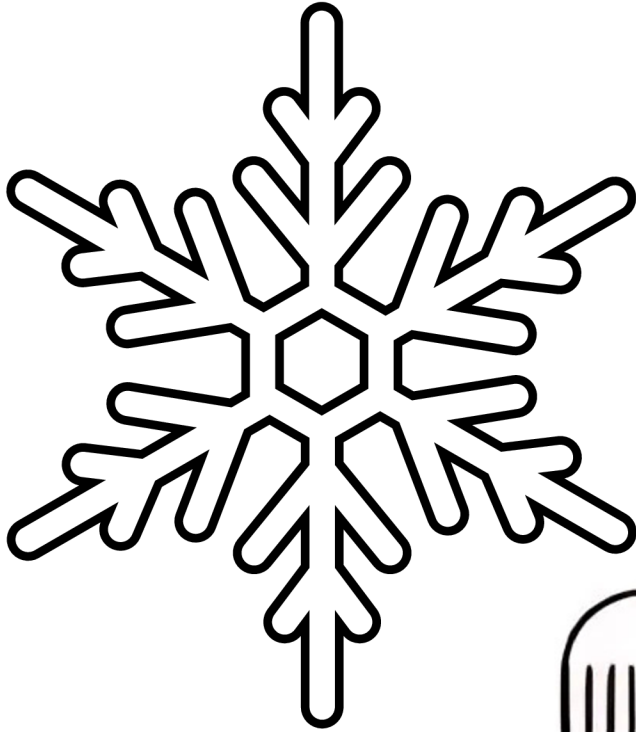

Clara's magnificent Aunt Drosselmeyer has given her a magical Nutcracker Bear for Christmas.

After bedtime, Clara is drawn back to the living room where she encounters a battle between the mice and her now very life-sized Nutcracker over a piece of cheese. She stops the battle by sharing the cheese.

To reward her for her kindness, Clara and her Nutcracker Bear are transported to the Land of Sweets where they are made the prince and princess of Candy Land by the enchanting Sugar Plum Fairy.

Clara and the Nutcracker Prince are then entertained by the dancing sweets of Candy Land.
